**Broughty
Bowling Club**

**Come and Try Bowls
.....with no obligation!!**

We pride ourselves on diversification and equality and are always looking at ways of improving the club and its facilities. The outdoor bowling season runs from April to the end of September and our annual subscription for men and women is only £130. For those under 16, the cost is only £30.

If you would like to 'try before you buy', we have regular coaching sessions (the next one is on 21 July 2019 between 3.00 and 5.00pm). Also you might want to come along to our very informal Monday evening club night for men (starts at 6.30pm) or ladies Tuesday afternoon game (starts at 2.00pm). These are attended by players of all abilities. There will be no charge and you would be made very welcome. Feel free to ask any club member here today for more information.

Community Fun Day

Hello and a very warm welcome to Broughty Bowling Club!

We sincerely hope you enjoy your visit and take part in what is intended to be a day of fun especially for those who are new to bowls. Whether you want to just have a look around (feel free...) or step onto the playing surface and see what Try Bowls is all about, one of our members will be sure to help you get started. All you need is flat soled shoes (trainers will be fine). Take time to experiment with a different types of bowls as they vary in size, weight and grip, but be sure to look after the green as that is our most prized possession!! We have some small bowls as well as lightweight bowls for youngsters and perhaps those who might be less abled. You only have to ask!

For health and safety reasons, we would ask you to give your name and a contact telephone or email address to one of those who will greet you, but after that it's up to you. There is free juice and biscuits or tea and coffee served in the club house, and if you would like to take advantage of our bar and a great view over today's events, we have a modest selection of beers, wines and spirits to enjoy while you are here.

The most important thing is for you all to enjoy yourselves!

Have fun.

Presidents Allan Martin and Linda Reid.

TRY BOWLS — an easy game that can be played by anyone of any age!!
